¹All libraries will be closed on the day of the holiday. Because this state paid holiday falls on the weekend, full-time staff should take their paid day off during the week either before or after the holiday. (For example, if a holiday falls on Saturday, an employee may take the Friday before or the Monday after as their paid day off for the weekend holiday.) Time off MUST be approved by a manager or supervisor to ensure adequate staff coverage that will allow both the libraries and Regional Office to remain open on non-holiday days.

²All libraries will be closed on Easter Sunday; however, this is not a state paid holiday. Employees who are regularly scheduled to work on this Sunday may choose to have the day off without pay or may work another day to make up for these hours.

See the *AZRLS Personnel Manual* for employees entitled to paid holidays.
